Don't Start Your Remodel Without This

A Communication Checklist

A quick-reference guide for homeowners who want a smooth, stress-free remodel.

Pro-Tip! Even a beautiful remodel can feel like a nightmare if the communication is off. Use this checklist to find a team that keeps you in the loop and has your back the whole way through.

5 Questions to Ask Any Remodeler Before You Hire:

#1 How do you keep clients updated during the project?
Look for weekly summaries, scheduled check-ins, or dedicated project leads.

#2 What's your process for confirming major design details?
They should walk you through key decisions before work begins.

#3 How do you handle unexpected issues or changes?
Make sure they have a system to flag and resolve problems fast.

#4 Can I track project progress and decisions in one place?
Bonus points for digital logs or client-accessible tracking tools.

#5 Who do I talk to if I have a question?
A clear point of contact matters more than you think.

Red Flags to Watch For

Vague answers like "We'll figure it out as we go."

No structured update process

Poor response time during your early communications

Why Communication Matters:

Fewer delays & mistakes

More confidence in decisions

Less stress from start to finish

Want a proven, client-first communication system?

Schedule a consultation with us. We'll show you exactly how we keep homeowners informed and confident—every step of the way.
